You can't see your own face in profile with one mirror. Is that really true? What if I whip around really quickly like this...wip!! And wip!! If I look toward the mirror like that...! Wouldn't I be able to see an afterimage or something!? Wip!! Wip!! Krak!! ...!!

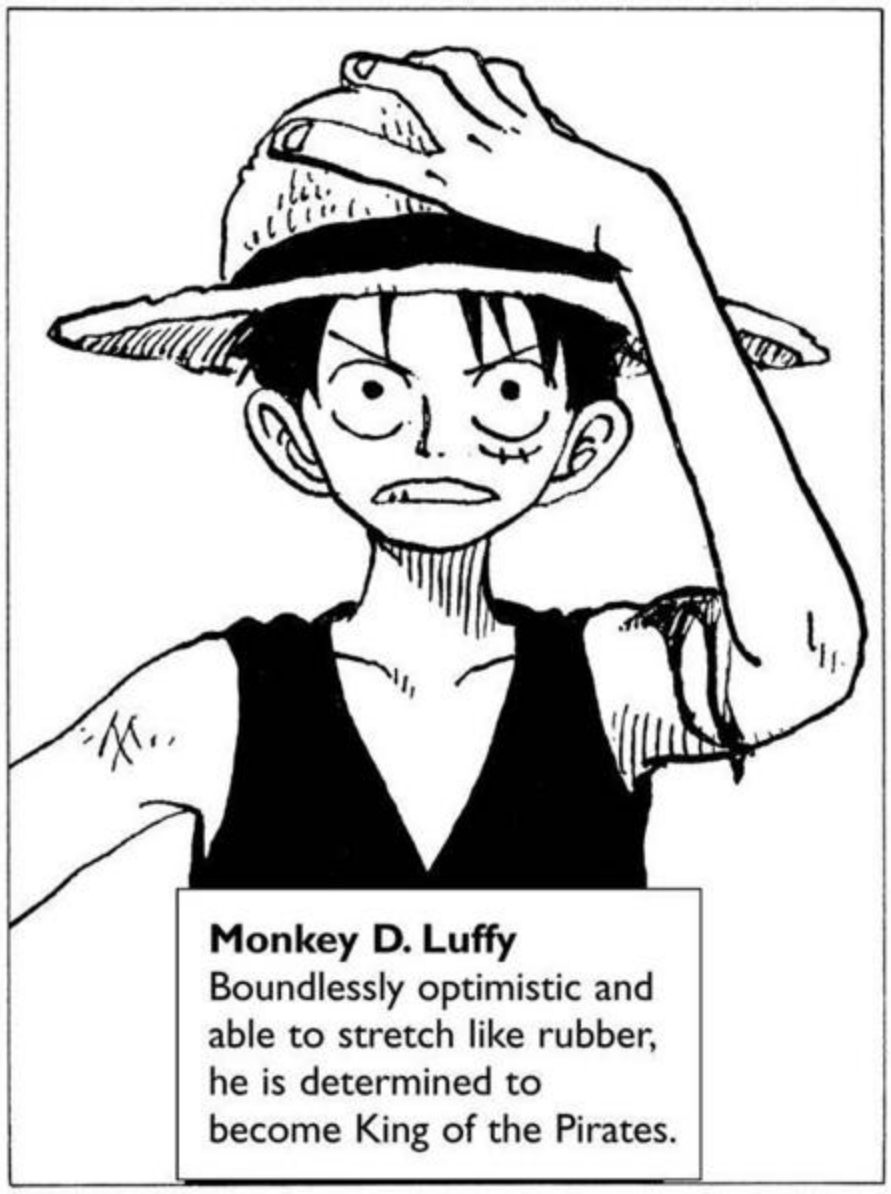
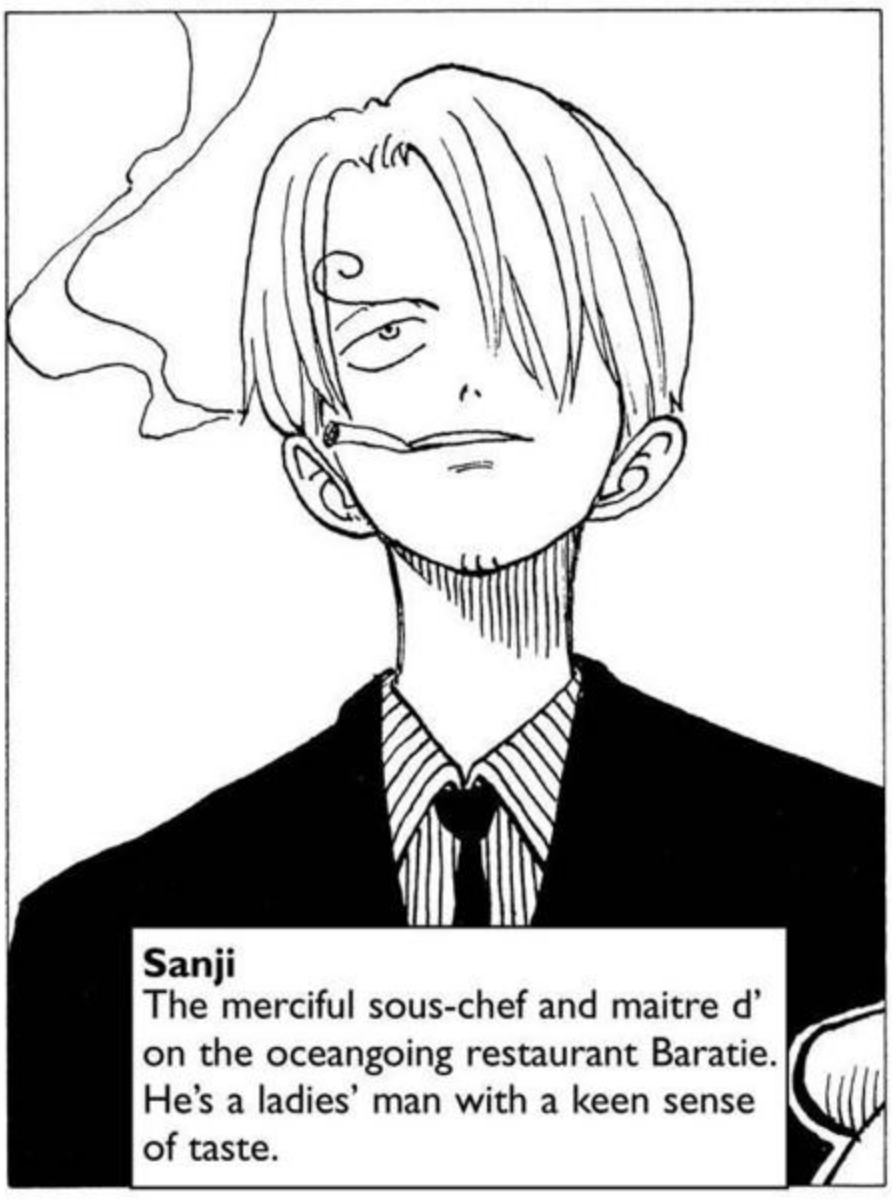
THE CRAP-GEEZER

STORY AND ART BY
EIICHIRO ODA



Monkey D. Luffy
Boundlessly optimistic and able to stretch like rubber, he is determined to become King of the Pirates.



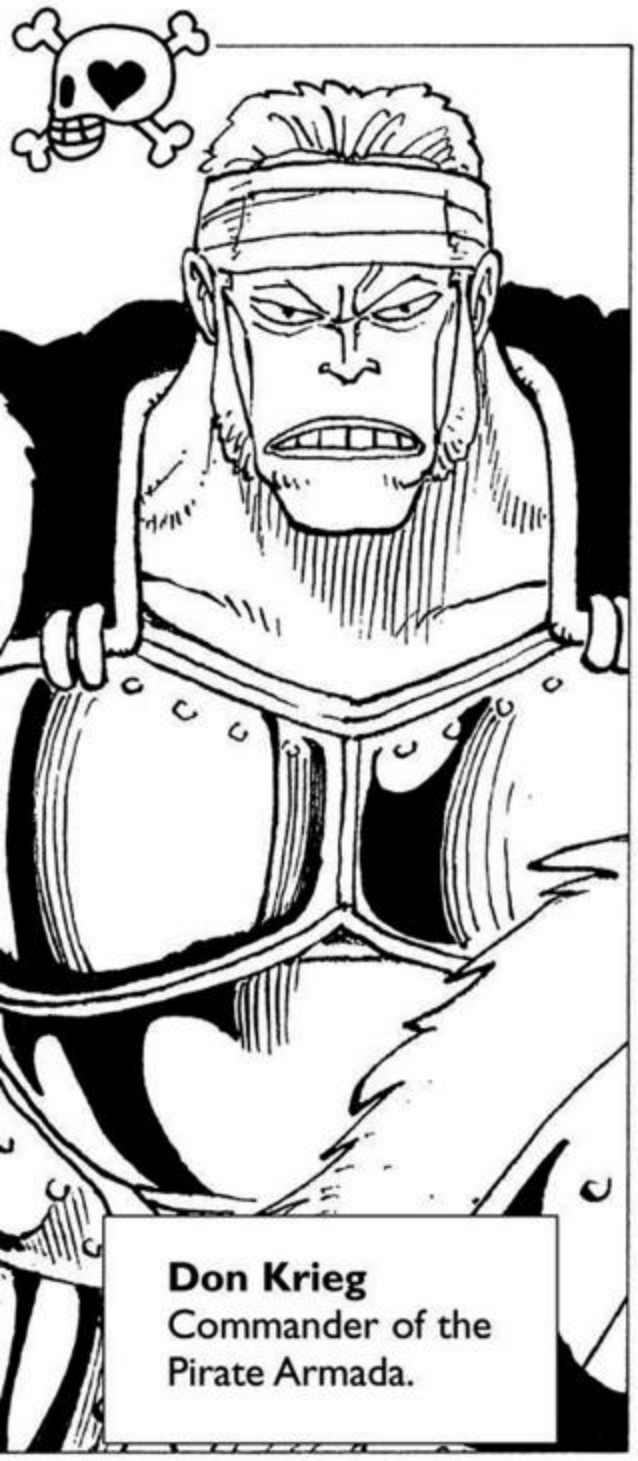
Sanji
The merciful sous-chef and maitre d' on the oceangoing restaurant Baratie. He's a ladies' man with a keen sense of taste.

"Red-Haired" Shanks
A pirate captain who saved the young Luffy's life and inspired him to be a pirate.

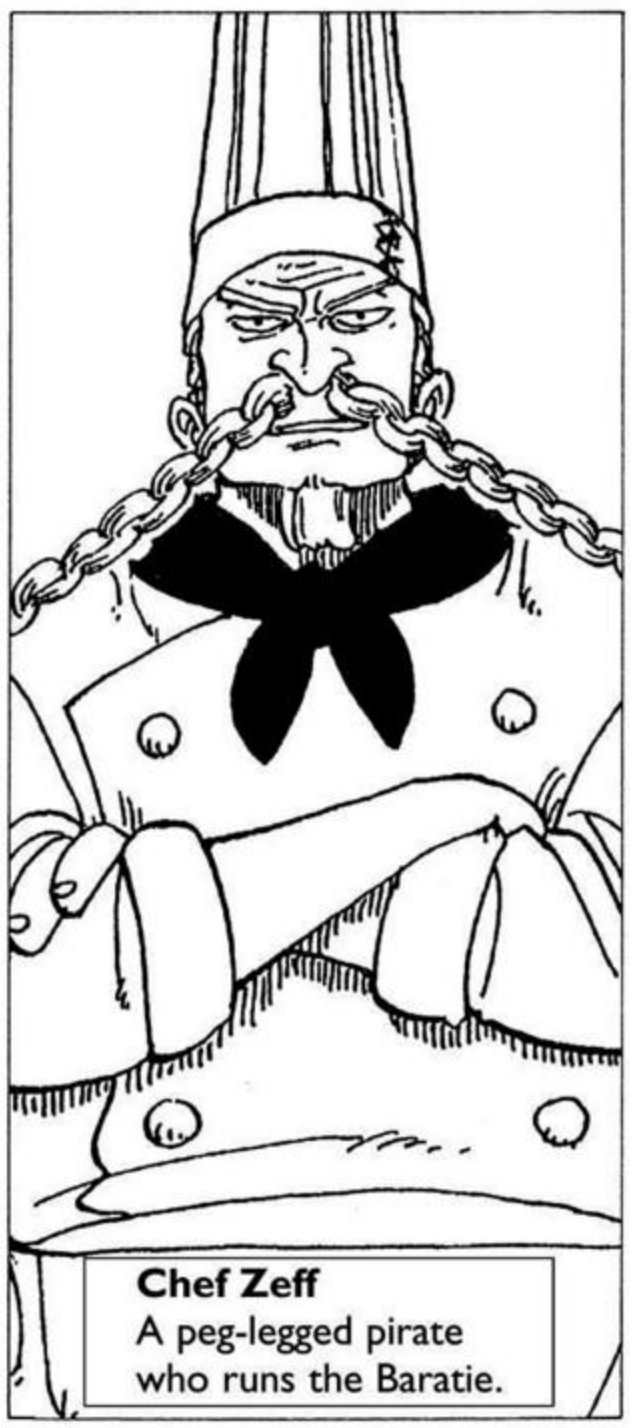
THE STORY OF ONE PIECE

Volume 7

Monkey D. Luffy started out as just a kid with a dream – and that dream was to become the greatest pirate in history! Stirred by the tales of pirate "Red-Haired" Shanks, Luffy vowed to become a pirate himself. That was before the enchanted Devil Fruit gave Luffy the power to stretch like rubber, at the cost of being unable to swim – a serious handicap for an aspiring sea dog. Undeterred, Luffy set out to sea and recruited some crewmates: lying sharpshooter Usopp, master swordsman Zolo and treasure-hunting thief Nami.



Don Krieg
Commander of the Pirate Armada.

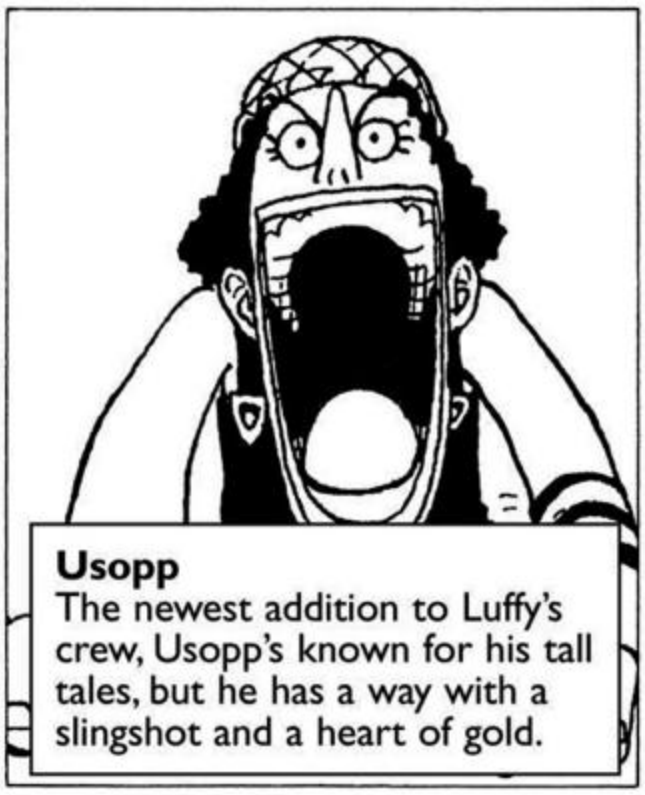


Chef Zeff
A peg-legged pirate who runs the Baratie.

Roronoa Zolo
A former bounty hunter and master of the "three-sword" fighting style.

Nami
A thief who specializes in robbing pirates. Nami hates pirates, but Luffy convinced her to join his crew as navigator.

Luffy and his crew sail to Baratie, the oceangoing restaurant, to find themselves a ship's cook. There Luffy takes a liking to the arrogant-but-merciful Sanji and asks him to join the crew. Unfortunately, before he can be recruited, Don Krieg and his 5,000 pirates arrive on the scene. After Sanji takes pity on the starving Krieg and gives him food, Krieg is completely revitalized. But the pirate repays good with evil by trying to take over the ship! So the battle for the Baratie begins. Then suddenly the sea rumbles and "Hawk-Eye" Mihawk, reputed to be the world's greatest swordsman, appears. Zolo, who aspires to win that title for himself, challenges Mihawk. Zolo is defeated, but vows never to lose again. Mihawk departs and the deadly battle with Krieg's pirates resumes…



Usopp
The newest addition to Luffy's crew, Usopp's known for his tall tales, but he has a way with a slingshot and a heart of gold.

Q: (Question) Master Ei, what time is it now?

A: (Oda's answer) Um, nine past...midnight! It's time for Question Corner!!

Q: Does Shanks like me?

A: I don't know.

Q: Oda Sensei! The other day a friend said, "I've got the perfect Devil Fruit for you" and he gave me some strange-looking fruit and I ate it. It might be my imagination, but ever since then, I feel like all the jokes I tell are flops.

A: Oh...You ate that one, eh? Yes, I know that one. It's definitely a Samu-Samu (chilly-chilly) fruit. When you eat that fruit, only really Bad (chilly) jokes come out of your mouth. And you can't swim, of course. It's kind of like Being stepped on...and then kicked. Ha ha ha ha! Laugh. Go on, laugh! Ha ha ha ha.

Q: In Volume One, when the mountain bandits enter the tavern, they break down the door, so why is it fixed when they leave?

A: That's Mr. Minatomo, the carpenter's doing. He's very impatient, so if he sees something like a Broken door, he has to fix it right away. It was certainly not a mistake on my part.
